# Welcome

to Steel City Allstars.  
We are a vibrant, warm and  
inclusive cheerleading  
community.

We have a team for everyone  
as part of our Rec, Novice, Prep  
and Allstar tiers of Steel City.  
Some of our athletes go on to  
compete at the highest level  
within our sport. These athletes  
are part of our International tier  
of teams.

Whilst all of our teams are able  
to experience fantastic  
experiences locally in the UK, we  
are able to travel further afield  
with our International Teams.

Following on from a very successful  
season with our International team  
placing top 2 all year - we are  
thrilled to be offering further  
opportunities for the season ahead.

We will also be transitioning towards  
offering more opportunities for  
stunting specialists, by expanding our  
Non-Tumbling tier of teams and  
developing further travel experiences.

We are fortunate to have a wealth of  
tumbling, stunting and International  
experience amongst our staff and we  
are excited to share this with all of our  
incredible current and future athletes.

Following on from last year's sponsorship, we will be writing to local businesses to initiate sponsorship opportunities.

The more we work together, the more we can achieve! Please get in touch if you would like to get involved with fundraising!

# Trial Information

Places on International and Non-Tumbling Teams are by trial only. There will be two preparation sessions ahead of each trials, which are not mandatory but highly recommended. At trials and throughout preparation sessions, we will be assessing the current skill set of athletes, their potential skill set, work ethic and ability to work well as a team. If we are not yet able to place you on an International or Non-Tumbling team, we will place you on to one of our Allstar or Prep teams. We may also offer you a reserve place. Please note that any new members will need to purchase membership (£30 individual / £50 family) to join the club. This is a one-off joining fee, does not need to be paid annually and does not apply to current members of Steel City.
